Announcements

SafetyFOCUS 2021

The American Society of Safety Professionals (ASSP) is shifting its second-largest annual event to a live virtual experience early next year due to the ongoing COVID-19 pandemic.

SafetyFOCUS 2021 will move from an eight-day in-person conference in Las Vegas to a 10-day online event. Attendees should mark their calendars for Feb. 8-12 and 15-19 to join the immersive education experience.

Visit <https://safetyfocus.assp.org> for more information

2020 Northwest Occupational Health Conference

The 2020 NOHC will be held virtually on October 21-23, 2020. The entire conference will be virtual on ZOOM, with generous breaks each day. This year we have eliminated the "IH" and "Safety" breakouts; all sessions are multidisciplinary. All sessions will be moderated with opportunities for Q&A. There are special seminars on Friday on Dermal Exposure Assessment and Leadership, as well as regulatory updates.

Registration after October 15 will include a late fee of \$25.00. No cancellations or refunds after October 15.

Short Course Topic: Lessons Learned About the Intersection of Industrial Hygiene with Emergency Planning and Infection Control from the Response to Covid-19 Pandemic.

The Short Course will be held virtually on Wednesday and Thursday, October 21 & October 22 (8 am - 11:30 am PST)

Visit <https://www.pnsaiha.org> for more information
